Take out Tuesdays

Our Feeding program is under way and going great!

We have been feeding around 100 children on Tuesdays! The youth and children of Calvary (with the help of some adults, of course!) have been meeting on Tuesdays around 10:40 and vaning over to Travis Junior High School to pick up coolers full of lunch and milk. Then we travel to several locations to pass out our lunches. These children and youth stand in the hot sun with smiles

on their faces happily passing out lunch after lunch! When all of our lunches are passed out we then (usually around 2:00) head back to Travis to drop off our empty coolers and get some lunch for ourselves! It's a great time for fellowship feeding others!

UM Army Camp Livingston, TX

What an awesome experience! Our youth represented Calvary well! They were broken up into separate work teams and mixed and mingled with youth from all over Texas. They worked together, worshiped together, broke bread together, cried together, celebrated together, endured the rain together, continued to work in spite of the rain together, danced together, played together, worked some more together, SURRENDERED together, and PRAISED GOD together! This was a wonderful experience for the youth and adults involved!

We would like to thank all of the people who prayed for us and helped us financially, who donated tools, and who allowed us to take a pit stop at their house and take a youth back to Kilgore (Bullocks) and everyone who trusted us with your youth, or your spouses for this trip! The work that these youth were able to do in the name of Christ, and Calvary was awesome!

THANK YOU!
